Dear Parents and Guardians,

As you know, our district is currently developing a plan to close a \$16 million budget gap caused by the state fiscal crisis. As part of that plan, the Board of Trustees previously took action to suspend student transportation service for regular education students commencing with the 2010-11 school year. This will allow for \$3 million in savings over the next three years which will be used to support our most important priority – the education of students in our classrooms.

We understand that suspending transportation services will increase traffic congestion at schools at the beginning and end of the school day. In order to eliminate the need for parents to make separate trips to drop off or pick up elementary and middle school students, the Board of Trustees has adjusted school starting and ending times for the coming school year. In addition to adjusting start times, the morning student drop-off time at the schools most impacted by the suspension of transportation has been expanded as shown below:

<b>Elementary Schools:</b>	<b>Regular Day/ Start Time AM</b>	<b>Regular Day/ End Time PM</b>	<b>Minimum Day/ End Time PM</b>	<b>Student Drop Off Time Begins AM</b>

Our district is continuing to work with the cities of Rancho Cucamonga and Fontana regarding traffic flow and crossing guards. We have also added a one-hour per day before school only and a one-hour after school only child care rate for parents and guardians who may need this additional service. You can learn more about the PLUS Childcare Program on our district website at [www.etiwanda.org](http://www.etiwanda.org).

While we are proactively planning to make this a smooth transition, we know that modifications will be required as the school year gets underway. The first few weeks of school will be challenging as we adjust to new ways of getting to and from school. Your patience during this time of change will be greatly appreciated.

Thank you for your continued support of your children and our schools. My best wishes to each of you for a relaxing summer break. We look forward to the many successes the new school year will bring for our students.

Sincerely,

Shawn Judson, Ed.D.  
 Superintendent
